

Yuanyuan Feng

Yuanyuan.Feng@unh.edu or http://www.yuanyuanfeng.com

RESEARCH AREAS Human-centered security & privacy; data privacy; Internet health & medical informatics; responsible artificial intelligence

TEACHING Usable privacy & security; human-computer interaction

ACADEMIC APPOINTMENT Assistant Professor Jul 2021 – present

Department of Computer Science
College of Engineering and Mathematical Sciences
University of Vermont, Burlington, VT, USA

Post-Doctoral Associate Jul 2018 – Jun 2021
Institute for Software Research (now Software and Society)
School of Computer Science
Carnegie Mellon University, Pittsburgh, PA, USA

EDUCATION Ph.D. in Information Studies Jun 2018
Drexel University, Philadelphia, PA, USA

M.S. in Information Science May 2013
University of North Carolina at Chapel Hill, USA

Bachelor's in Library & Information Science Jun 2011
Sun Yat-sen University, Guangzhou, China

GRANTS AND AWARDS Face the Fight: Business Partnerships to Prevent Veterans' Gun Violence
Discounted Firearm Secure Storage Devices 2020-2021

▪ Co-Investigator, \$108,000 awarded to the University of Vermont
National Science Foundation (NSF) Award for Effective Communication of Differential Privacy through 2024-2027

▪ Principal Investigator, \$599,000 awarded to the University of Vermont
National Science Foundation (NSF) Award of Merit Approach Regarding Performance Tracking Technology 2024-2026

▪ Principal Investigator, \$175,000 awarded to the University of Vermont
American Heart Association (AHA) Grants for Inclusive Design (A project under AHA's IMPACT Strategically 2020-2028)
▪ Co-Investigator, \$832,000 awarded to the University of Vermont

PUBLICATIONS PEER-REVIEWED JOURNAL ARTICLES AND CONFERENCE PAPERS

[C38] Harry, T., Hidalgo, J., Poirier, R., Fournier, J., and M. May 2021
study of brief affective text as a complement to wearable
monitoring of the ACM on Interactive, Technologies (IMWUT)

[J37] Harry, T., Hussain, Z., Cao, J., Turksoglu, C., and M. 2021
review of tracking motivations and barriers: A mixed-participation in two studies

[J36] Jante, T.B., Cao, J., *Hussain, Z., and M. 2021
marketing as a clinical trial recruitment modality
approach Journal of Medical Internet Research

Notes on publication: I work in interdisciplinary computing fields, and my work is published in rigorous peer-review process and therefore are highly valued. Author names are listed with those who funded and managed the work appearing last. Asterisk * denotes student

- [C35] Harry, T., Cao, Ngong, I. C., (2026). NeuroKey, a novel, open-source, and platform-independent framework for detecting and classifying user personas: State beats trait, but finding good friends in the wild. *Computational Linguistics: ACL 2026*. [2026 accepted]
- [J34] Harry, T., Cao, J., Hussain, Z., Turkson(-2026). NeuroKey: A Guide on selection of optimal motivational themes for adults: A survey of medical professionals. *Medical Interference* 6(0) [2026 accepted]
- [J33] Dibia, O., *Lu, M., Bhattacharya, P., Stenger, J., and Naeem, A. (2025). NeuroKey: Toward an expert-informed privacy tool for medical professionals. *Privacy Enhancing Technologies (IACR)* 2025. [2025 accepted]
- [J32] Harry, T., Hussain, Z., Cao, J., Turkson(-2025). NeuroKey: Randomized comparison of online motivational themes for adults. *Circulation: Cardiovascular Quality and Outcomes* 18(1) [2025 accepted]
- [J31] Dibia, O., Bhattacharjee, P., *Stenger, J., and Naeem, A. (2025). NeuroKey: Usability studies for medical professionals. *Technological Innovation* 20(2) [2025 accepted]
- [J30] Feng, Y., Stenger, J., and Naeem, A. (2024). NeuroKey: A mobile app for medical professionals in the United States: Mixed methods survey. *Journal of Medical Internet Research* 26(1) [2024 JIF: 5.8]
- [C29] Gosto, D. E., Abba, Saad, I., MG., F., Ceonxg., E., D., and Naeem, A. (2024). NeuroKey: "Beaten down": Parents' concerns about child health. *87th Annual Meeting of the Association for Information Systems (AMIS)* [acceptance rate: 13.2%]
- [C28] Ngong, I. C., *Stenger, J., and Naeem, A. (2024). NeuroKey: Privacy tools with data protection. *USENIX Security Symposium (USENIX SOUPS '24)*. [acceptance rate: 21%]
- [C27] Feng, Y., Ravichander, A., Yao, Y., Zhang, S., Chen, F., and Naeem, A. (2024). NeuroKey: Understanding how to inform blind and low-vision users. *USENIX Security Symposium (USENIX SOUPS '24)*. [acceptance rate: 17.6% - 19.1%]
- [C26] Feng, Y., Wang, A., Yao, Y., Zhang, S., Chen, F., and Naeem, A. (2024). NeuroKey: Smart commercial building occupants' perceptions. *Things data collection and analysis symposium on Security and Privacy (EuroS&P)*. [acceptance rate: 35%]
- [C25] Zhang, S., Shvartz, N., and Naeem, A. (2024). NeuroKey: A spread: A contextual integrity perspective on the certification of CM Conference on Fairness, Accountability, and Transparency (FAccT) [acceptance rate: 25%]
- [J24] Zhang, S., Yao, Y., Cranor, L. F., and Naeem, A. (2024). NeuroKey: Privacy. *Proceedings on Privacy Enhancing Technologies* 2024. [2022 acceptance rate: 24%]
- [C23] Gardner, J., Feng, Y., Lin, Z., Jain, H., and Naeem, A. (2024). NeuroKey: Application developers create the 2024 data privacy and security workshops (EuroS&PW) (pp. 1657-1670). [acceptance rate: 25%]
- [C22] Zhang, S., Feng, Y., and Naeem, A. (2024). NeuroKey: Cognition: Understanding and attitudes across increasing complexity. *USENIX Security Symposium (USENIX SOUPS '21)*. [acceptance rate: 25%]
- [J21] Smullen, D., Yao, Y., Feng, Y., and Naeem, A. (2024). NeuroKey: Potentially intrusive practices in the 2024 data privacy and security workshops (EuroS&PW) (pp. 1657-1670). [acceptance rate: 25%]
- [C20] Feng, Y., Yao, Y., and Naeem, A. (2024). NeuroKey: Privacy choice. *Computing Systems (CHI '2021)*. [acceptance rate: 25%]

- [S1] Feng, A., & Agosto, D. (2014). *Med by smartphones? A qualitative study into mobile information privacy concerns of the 77th Annual Meeting of Association for Information Science & Technology (ASIS&T)*.

TEACHING INSTITUTIONS & COURSES

University of Vermont – Department of Computer Science
Instructor & Course Creator Aug 2021 – present

- CS 6550: Usable Privacy and Security (Spring '26 '25 '24 '23 '22 '21)
- CS 3280: Human-Computer Interaction (Fall '25 '23 '22 '21)
- CS 2880: Inclusive Computing (Catamount Core Diversity D2: Fall '25 '23 '22 '21)

Drexel University – College of Computing & Informatics
 Instructor / Teaching Fellow Mar 2016 – Dec 2016
 ■ INFO 649 (Online): Library Programming (Spring '16 '17, Fall '16 '17)
 ■ INFO 753 (Online): Introduction to Digital Curation (Summer 2016)

ADVISING UNIVERSITY OF VERMONT
 Advisees
 ■ Mengyi Lu, PhD Program in Computer Science (2024 -)
 ■ Tamunotonye Harry, PhD Program in Computer Science (2023 -)
 ■ Brad Stenger, PhD Program in Computer Science (2023 -)
 ■ Thi Thanh Thanh Tran, MS Program in Complex Systems (2023 -)
 Graduated Advisees
 ■ Nikhil Sai Reddy Choppa, MS in Computer Science (Graduated in 2023)
 Dissertation / Thesis Committee
 ■ Prithaj Nath, MS in Computer Science (Graduated in 2023)
 ■ Samantha Fox, PhD in Biomedical Engineering (Graduated in 2023)
 ■ Mako Bates, PhD in Computer Science (Graduated in 2023)

SERVICE CONFERENCE PROGRAM COMMITTEES
 ■ Proceedings on Privacy Enhancing Technologies (PPT) 2023
 ■ ACM Conference on Computer and Communications Security (CCS) 2023
 ■ Symposium on Usable Privacy and Security (SUSP) 2023
 ■ Symposium on Application of Contextual Information (ACI) 2023
 ■ Symposium on Usable Security (NDSS USEC) 2023 – 2025
 CONFERENCE AND WORKSHOP ORGANIZING
 ■ PIM Workshop: Successful Aging with Our Information (PIM) 2022
 ■ Minitrack Chair for the 53th Hawaii International Conference on System Sciences (HICSS) 2020
 JOURNAL AND CONFERENCE REVIEWING
 ■ ACM CSCW Conference (2021 – present)
 ■ ACM CHI Conference (2021 – present, case studies, late-breaking papers)
 ■ Proceedings on Privacy Enhancing Technologies (PPT) 2021
 ■ ACM IMWUT / Ubiquitous Computing (2021 – 2022)
 ■ ASIS & T Annual Meeting (2017 – 2020)
 ■ iConference (2016 – 2021)
 JOURNAL EDITING
 ■ Guest Editor, ASLIB Journal of Information Management (2020)
 – Special Issue on “Emerging Perspectives on Health Informatics”

CV compiled on 2026-01-01
